PARIS HOTEL & CASINO Continued

SOPREMA overcame the following obstacles to make this project a success:

- The searing heat of the Nevada desert
- Long spans between supports
- Constant roof movement due to expansion and contraction
- Provided a cost-competitive, UL Class A system with a 20-year labor and material warranty

The Paris Hotel & Casino opened its doors on September 1, 1999. with nearly 3,000 rooms, the Paris Hotel & Casino is one of the largest properties in Las Vegas.
